NO MAIL DELIVERY
FOR NEXT MONDAYNew Ruling From Washington
Fails to Provide For
Compensatory Time.

There will be no city delivery from the postoffice Labor day. A new ruling has been issued from Washington that in future when needs of postal service require employment on holidays, the employees who are called for this work will be allowed compensatory time on one of the 20 days following the holiday. The trouble of this ruling, however, is that no funds have been allotted for substitutes, so far as the local postoffice is concerned, and until this is provided for, there will be no city deliveries on legal holidays hereafter. Holidays coming after Labor day may be provided for later, however, although this is not certain at the present time.

Neither the city nor the rural routes out of this postoffice will be worked next Monday, but the general delivery and registration wickets will be open from 11 a. m. to 5 p. m. The money order will be closed. Collections of mails from the city boxes will be made by a substitute during the morning and noon hours and at 6 and 10 p. m. There is a substitute allowance for this work.

BETTER ABLE TO
DO DAILY WORK

"I Feel Stronger Since Taking
Tanlac," J. C. Blake, Local
Man, Declares.

"I feel stronger and I'm better able to do my work since taking Tanlac," J. C. Blake, an employee of the Studebaker auto shop of 1622 Dale avenue, told the Tanlac Man at the Public drug store on August 28.

"For a long time I suffered from stomach and liver trouble," Mr. Blake continued. "I often had sick headaches. My appetite was very poor. In fact, I didn't care for food. My tongue was coated and I often felt bilious. My bowels were very loose and I was unable to check them."

"Tanlac was so highly recommended that I decided to try it. I've taken one bottle of Tanlac now and the sick, nervous headaches that formerly bothered me are gone entirely. I eat heartily now and my digestion is fine. My bowels are in a normal condition. Tanlac certainly has straightened me up and I believe it will help others. I want to recommend Tanlac because of what it did for me."

Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhs, complaints, rheumatism, nervousness, loss of appetite and the like and is a fine tonic and general system cleanser.

Tanlac is now being introduced in South Bend at the Public drug store where a special Tanlac representative is explaining the new medicine to the public.—Adv't.

**How to Lose Your Tan,
Freckles or Wrinkles**

A day's motoring, an afternoon on the tennis ground or golf links, a sunbath on the beach or exposure on a sea trip, often brings on a deep tan or vivid crimson or, more perplexing still, a vigorous crop of freckles, or iridescent spots. It literally mottled wax, which removes tan, redness or freckles quite easily. It literally peels off the affected skin—just a little at a time, so there's no hurt or injury. As the skin comes off in almost invisible flaky particles, no trace of the treatment is shown. Get an ounce of mottled wax at your druggist's and use this night as you would cold cream, washing it off mornings. In a week or so you will have an entirely new skin, beautifully clear, transparent and of a most delicate whiteness.

Wrinkles, so apt to form at this season, may be easily and quickly removed by bathing the face in a solution of powdered exfolite, one ounce dissolved in witch-hazel, by pint. This is not only a valuable astringent, but has a beneficial tonic effect also.

**HOW MRS. BEAN
MET THE CRISIS**

Carried Safely Through Change
of Life by Lydia E. Pinkham's
Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life—I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."—Mrs. E. H. Bean, 525 Joseph avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pur remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.—Adv't.

What Do You Read?

These are trying times, socially, economically, politically, nationally and internationally. Would you keep abreast of what is going on, in the city, the county, the state, the nation, and the world? You must have a live daily newspaper, and the livelier the newspaper, the fresher will be your knowledge, and the keener your conception of all these current happenings. Take the

South Bend News-Times

Morning—Evening—Sunday

as a shining example of the kind of service you need,—the best equipped newspaper in St. Joseph county, or Northern Indiana—the only newspaper in the state published every day of the year. In fact, it is issued twice on all days except Sundays and Holidays.

Two leased wire news services are maintained—the *Associated Press* and *International News* services—night and day, to bring the news from all over the earth—and two local news staffs, with an army of correspondents, to gather the news of South Bend, Mishawaka and surrounding towns and country. It is the shop that never shuts down—

The Paper That Does Things

Which means that *The News-Times* is more than a general newspaper. It is that and more. It specializes. In fact, two whole sections of the Sunday paper is given to specialization; special features, a woman's division, real estate and industrial news, special automobile pages, theatrical department, church and school departments, and finally, of special interest to farmers, a special farm page—the only one of its kind, and the best in Indiana. Special writers produce these features. *The News-Times* is doing this for you.

The News-Times is helping develop St. Joseph county after this manner; doing for all Northern Indiana and Southern Michigan what no other paper has dared to undertake,—educational in scope; more than a mere purveyor of News. While editorially democratic, its news columns are strictly independent. If you would really know what is going on politically—which is a matter of interest just now,—in other parties as well as your own, read *The News-Times*, which knows no party, sect, creed, class or clique, in its news.

It Is a Newspaper First

You deserve to belong to its army of 50,000 daily readers—Morning and Sunday, or Evening and Sunday—seven daily papers for the price charged by other publishers for six papers.

In South Bend and Mishawaka that rate is 12 cents per week, payable to the carrier; outside South Bend and Mishawaka, \$3.00 per year, payable in advance, if delivered by mail.

To stimulate interest among mail subscribers a lower rate for a limited time, will be made to 6-month trial subscribers, of \$1.25; to 4-month trial subscribers, of 80 cents.

Do Not Delay. You will want to know all about the coming *Interstate Fair*, Sept. 12-13-14-15-16. You will want to know all about the *St. Joseph County Centennial Celebration*, Oct. 3-4-5. You will want to follow the *National State and County Campaign*. Send your subscription, if a mail subscriber, or telephone:
